Libraries Building Communities through Memory Cafés

Join Angela Meyers from the Bridges Library System and Drea Douglas from North Bend Public Library as they explore the impactful concept of Memory Cafés. These vibrant gatherings support individuals with memory loss and their caregivers, fostering connection and community. Libraries are excellent hosts, thanks to their welcoming environments. The speakers will share practical strategies for organizing successful Memory Cafés, emphasize the importance of strong partnerships, and provide insights from their experiences. Let's work together to create spaces that promote understanding and meaningful relationships!
