

Protect yourself from scams.

Join us for the **Scam Jam**, a FREE event where you can hear about the latest scams & arm yourself with knowledge to spot and stop criminals.

Hear from experts about **artificial intelligence, cryptocurrency, ways that criminals manipulate your emotions**, and more!

Plus, get your questions answered during a Q&A panel, and visit the resource fair to take extra information home with you. Light snacks will be served.

All ages welcome. Registration required.
