

A Day with Lewy: Lewy Body Dementia and the Caregiving Journey

The Lewy Body Dementia Association's (LBDA)
2026 Community Conference Series
brings together experts, trusted partners, and the Lewy Body
Dementia (LBD) community for a day of education,
empowerment, and support.

Join us for this free, educational and empowering event.
There will be presentations from leading clinicians,
interdisciplinary panels of subject matter experts, keynote address
from Angela Lunde, MA., voices and lived experiences from the
Lewy Body Dementia community.

This informative conference is designed to deepen your
understanding of the symptoms of Lewy body dementia,
understand its impact, and empower you with resources and
strategies to improve quality of life.

Thursday, October 8th, 2026
