

Yosemite National Park Ecological Restoration
NOW HIRING
Seasonal Restoration Worker (WG-5)
Seasonal Restoration Work Leader (WL-5)

Do you love:

- Working outside with your hands to make a positive impact on landscapes?
- Helping restore natural conditions to impacted ecosystems?
- Having a fun-filled summer in a beautiful place?

Join our ecological restoration teams and give back to our public lands. Our [Merced River Plan Restoration](#) and [Wilderness Restoration](#) programs are hiring several positions for the 2025 season.

Position announcements open 12/9/2024 and close 12/23/2024, or when 250 applications are received.
