Game of Logging Chain Saw Safety & Tree Felling

Course Requirements for Participants

- Expect to be outside for a full day of training.
- Students **must bring**
  - a forestry hard hat (***you may not participate without one***)
  - hearing & eye protection.
  - long pants.
  - sturdy, well-fitting leather/work/hiking boots (safety toes recommended).
  - sturdy work gloves.
  - clothing appropriate for ***both standing still as well as operating the saw.***
  - lunch, water, snacks.
  - a good attitude, a well-rested mind, and a drug/alcohol free body.
- Chainsaw chaps or chainsaw protective pants if possible. The instructor will have an extra pair of chaps that can be used when operating the chainsaw.
- If you have access to a chainsaw and saw tools, bring them along. The instructor's saw will be available for those who do not bring one.
- Students under 18 must have parent's permission and be physically capable of operating a chain saw.
- Classes typically run from 8:00am until 4:00pm and start promptly on time.
- Classes are rarely cancelled due to weather. High winds, lightning, heavy rains are the exception. Light rain or snow and hot or cold temperatures are acceptable conditions. ***DRESS IN LAYERS!***
- Game of Logging uses a hands-on teaching format, however, there will be 6 – 9 other individuals in the class and all will be practicing the skills taught by the instructor, one at a time. Observing the other students is an important part of the learning process. ***PLEASE DRESS APPROPRIATELY FOR THESE TIMES OF STANDING WHILE OBSERVING OTHER STUDENTS AS WELL AS FOR OPERATING THE SAW.***

The host of your training has scheduled the training, will respond to and follow up on inquiries and questions, and will be collecting fees, sending directions, and welcoming you on the training day. They will also distribute the Game of Logging digital certificate of attendance a week or two after the training has been completed.
